Will I?

Ian Van Dahl

Will I ever love you again?
Will we be together again?
Thought the love we had was strong...
and tell me what's on.
Where did we go wrong?

Will I will I will I Will I will I

Will I ever love you again?
Will we be together again?
Thought the love we had was strong and tell me what's on.
Where did we go wrong?

Will I ever love you again?
Will we be together again?
Thought the love we had was strong and tell me what's on.
Where did we go wrong?
