Oh lord, oh lord

Being alone is what I dread  
No warm hands, rain in my bed  
Oh lord, oh lord

Who will come and take this weight?  
Bathe me in light, renew my faith?  
Oh lord, oh lord

Searching for love of their own  
Til the morning tone

Feel pleasure on my skin  
Is that too much to be asking?  
Oh lord, oh lord

Night after night, we roam  
All together but all alone  
Oh lord, oh lord
