

# Dirty Mack

Ice Cube

There's a new girl on my street  
And I might introduce her to mack me  
Told my homeboy I was scoping hoping  
To crack them legs wide open  
Ready to break that banging ass  
Get it with the shad  
Take a bath in her mouth yeah  
Better keep the trojan  
And if the sex was good still be the whole frame  
Fucked around and told my plan to the man  
Sitting next to the god damn men  
How was I to know son  
That the nigg' blow with one and told the 4-1-1  
With a big fat grand  
Talking 'bout all the whores that I ran up in  
Broke a nigga plan like dishes  
Cuz now the bitch is getting suspicious  
She know I fuck whores outa habit  
Who framed Cube, mothafuck Roger Rabbit!  
Cuz I couldn't have and got stabbed in the back  
By a black ass dirty mack...

And if you didn't know it's like that  
I got a big fat gat for the dirty mack  
Yeah nigga didn't you know it was like that  
I got a big fat gat for the dirty mack...

There goes the bill-board pull it  
And see up I'm still #1 with the bullet  
what the fuck do I sing?  
It looks like the Predator  
it's gettin dissed by the editor  
Looked up and hell of white for caper  
It's to lynch a nigga on paper  
But I'm much too black for the god damn cracker  
Huh! Dirty Macker  
Even the Guardian Angel got mental  
But never seen their ass walking past South Central  
Little super hair oh don't lemme catcha  
I fuck around and wetcha  
Try to dirty mack me out  
Try to take food out my kids mouth  
You're looking at my people are stronger than your evil  
All you ask where they got the hip hop  
At the dope the 187 taxi on your toe  
So act like you know  
That nigga that's known to jack  
Devils in little red hats  
Motherfuckin dirty macks!

And if you didn't know it's like that  
I got a big fat gat for the dirty mack  
Yeah nigga didn't you know it was like that  
I got a big fat gat for the dirty mack...

Don't come to an O.G., with that 'he said she said'  
Bitch, hit the freeway, dirty mack's get tossed

Cuz I fuck around, and jump your ass like Kris Kross  
Just might blast, snake in the grass  
Gotta shake up the ass  
Found at a trunk of funk  
Tall and stiff as a philly blunt  
What more do you want you unfucked up the plot  
And deserve just what you got  
Cuz I'm hotter than tabasco  
You little ass hole  
Mow I gotta do you like grass chow  
PKO now you see they flow on cannabis  
Cause you scandalous  
Don't know who the man is  
Ice Cube a jack  
The white ass Dirt Mack

And if you didn't know it's like that  
I got a big fat gat for the dirty mack  
Yo Savage didn't you know it was like that  
I got a big fat gat for the dirty mack  
I suppose you don't know it's like that  
I got a big fat gat for the dirty mack...
