Here's how the bitches jack: They try to catch a dumb nigga in the act You came to the club, stepped to the bar And pulled out a wad of Doves After you got buzzed, she walk by You saw how big her ass was Got her on the dancefloor And she started dancin like a ho Jimmy got stiff, she ain't have a ride home So you gave the bitch a lift She didn't wanna trouble you But hopped her big ass in your BMW Hopped to her house and started kissin And Jimmy just wouldn't listen Cos you got real horny And that ain't cool at four in the morning Started undressing the ho Got to the drawers and the ho said "No! "Not on the first date "It's gettin kinda late, could you come back at eight?" You said "Yeah!" cos you thought you met a wholesome ho But nigga, she know you rollin in some dough And you'll regret and somethin 'bout a bitch you just met Don't trust em!

Dick hard as a rock Straight on a solo creep Can't wait till her little boy go to sleep So you can seduce the G Bust a nut and make an excuse to leave You got her worked out cos you the man But the bitch got diff'rent plans She said "Take off your clothes, jump in the bed" While she powder her nose You get butt naked, cos you ready to wreck it! Cos you's a motherfuckin punk, next thing you know The door flies open with a blast With four niggas in ski masks Pointin a gun at the pimp You're scared as a motherfucker and Jimmy done went limp They beat you down just a taste Take ya to your house and make ya open up the safe Drove you far, tied up in the trunk of your own fuckin car Take you out and pop the cap I told you the bitch was a trap Don't trust em!
