

# Gangsta Rap Made Me Do It

Ice Cube

Maestro!!!

Blame me

You niggaz know my pyroclastic flow  
You niggaz know my pyroclastic flow flow  
You niggaz know my pyroclastic flow it's R-A-W, R-A-W

You looking at the grand wizard, war lord vocal chord so vicious  
And I don't have to show riches to pull up pull off with some bad bitches  
And it ain't about chivalry  
It's about dope lyrics and delivery  
It's about my persona ain't nothing like a man that can do what he wanna  
Ain't nothing like man on that you knew on the corner  
See 'em come up and fuck up the owner  
See 'em throw up Westside California  
Nigga I'm hot as Phoenix Arizona  
I'm utah I got multiple bitches  
It's a new law keep a hold of yo riches  
Dumb nigga don't spend it as soon as you get it  
And recognize I'm a captain and you a lieutenant

I can say what I want to say ain't nothin to it gangsta rap made me do it  
If I call you a nigga ain't nothin to it gangsta rap made me do it  
I can act like an animal ain't nothin to it gangsta rap made me do it  
If I eat you like a cannibal ain't nothin to it gangsta rap made me do it

I'm raw as a dirty needle  
Choke an eagle  
Just to feed all my people  
Lyrically I'm so lethal  
Plant thoughts in they mind just to defeat you  
Ice Cube is a saga y'all spit saliva  
And I spit lava  
I got the fearless flow  
Don't get near this ho  
If you scared to go  
I keep it gangsta and why should I change that  
fuck you all you motherfuckers tryin to change rap  
But arent you the same cat that sat back when they brought cocaine back  
I'm tryin to get me a Maybach  
how you motherfuckers gonna tell me don't say that  
you the ones that we learned it from  
I heard nigga back in 1971

So if I act like a pimp ain't nothin to it gangsta rap made me do it  
If I call you a nappy headed ho ain't nothin to it gangsta rap made me do it  
If I shoot up your college ain't nothin to it gangsta rap made me do it  
If I rob you of knowledge ain't nothin to it gangsta rap made me do it

Thank God when I bless the mic  
You finally get to hear the shit that you like  
A nigga talkin bout real life so you can try to get this shit right  
Use your brain not your back use your brain not a gat  
It's a party not a jack (for real)  
Don't be scared of them people  
Walk up in there and show them that you equal (fuck them fuck them)

Don't be material a nigga grew up on milk and cereal  
I never for got vaness and imperial  
Look at my life Ice Cube is a miracle  
It could be you if you was this lyrical  
It could be her if she was this spiritual  
Cuz me and Allah go back like cronies  
I don't got to be fake cause he is my homie

If I sell a liittle crack ain't nohin to it gangsta rap made me do it  
If I die in iraq ain't nohin to it gangsta rap made me do it  
If I take you for granted ain't nohin to it gangsta rap made me do it  
If I fuck up the planet ain't nohin to it gangsta rap made me do it

Oh yeah and another thing  
For all ya niggaz that don't do gangsta rap  
Don't get on TV talkin about gangsta rap  
Cause 9 times at a 10 you don't know the fuck you talk about  
Talk about that bullshit rap you do  
Stay the fuck out of mine
