

## Look Who's Burnin'

Ice Cube

Ay but, what you doin up here anyway nigga?  
Man I came up to get some rubbers man, what you doin up here?  
No shit? Man, I came up here to get a physical  
You know for my job, you gotta get a physical and shit, but..  
Really?  
Philip Brown to the front desk - Philip Brown  
Aw that's me right there, hey man you stay up man!  
Philip Brown!  
Be careful and shit you know...  
Awright then homey!  
Philip Brown?  
Yeah?  
Can I help you?  
Ahh, ah-uh-yeah, I'd like to get  
I'd like to get a physical  
We don't give physicals here  
Oh you don't?  
No, all we test for is VD, herpes, syphillis and gonorrhea  
I'd like to see a doctor  
What's the matter, you BURNING?  
Huh??

"Stepped out my house, stopped short, oh no.."  
"Why is my thing-thing burnin like this?"  
You BURNING?  
"Stepped out my house, stopped short, oh no.."  
"What have I, done stuck my duck in?"

I went to the free clinic, it was filled to capacity  
Now how bad can a piece of ass be?  
Very bad, so I had to make the trip  
and thank God, I didn't have the drips  
I was there so a hoe couldn't gimme that  
Just to get - twenty free jimmy hats  
Now look who I see  
Ain't that... yeah, that's the bitch from up the street!  
With the big fat tail  
who always told Cube to go to hell  
She thought she was wiser  
Now she's sittin in the waitin room, burnin like heat-mizer  
Yeah I see ya  
First Miss Thang, now Miss Gonorrhea  
Man it's a trip how the world keeps turnin  
It's 1991, and look who's burnin

"Does it get you hot?"  
"It's got me hot!"  
"This is a girl playin hard to get.."  
"Burnin up, burnin!"  
"What have I, done stuck my duck in?"  
"Does it get you hot?"  
"It's got me hot!"  
"This is a girl playin hard to get.."  
"Burnin up, burnin!"  
"What have I, done stuck my duck in?"

Now everybody is a victim, you can go see 'em

and you'll hear more claps than the Coliseum  
Sittin there all quiet and embarrassed  
Whup - there go that bitch who was careless  
I remember - she wouldn't give the cock  
to anybody who lived on the block  
Now hoe, look what you got  
BEND THAT BIG ASS OVER for the shot  
Cause somebody is pipin hot  
Drippin like a faucet, I'm glad I didn't toss it  
Got you a college boy, who was worse than me  
and he probably fucked the whole university  
Still wanted him to dick you down, kick you down  
with some bucks, now who got fucked?  
With a nigga for the money he's earnin  
but ask for some water bitch, and look who's burnin

"Does it get you hot?"  
"Can you get that?"  
"This is a girl playin hard to get.."  
"Burnin up, burnin!"  
"Why is my thing-thing burnin like this?"  
"Does it get you hot?"  
"Can you get that?"  
"This is a girl playin hard to get.."  
"Burnin up, burnin!"  
"Why is my thing-thing burnin like this?"

"It burns.."  
"Fitfully, sputteringly to it's end.." {  
aww shit!!}  
".. at which there is, a little surprise"  
{That stupid ass..}  
"BITCH!!!!"

Yo, it ain't my fault you got the heebie-jibbies  
but you still try to act like you didn't see me  
So I walk over, and say "Hi,  
bitch, don't try to act surprised!"  
You shoulda put a sock on the pickle  
and your pussy wouldn't be blowin smoke signals  
Man, this is gonna kill 'em  
Guess who got a big fat dose of penicillin?  
They'll ask, "Who?", and I tell 'em you  
The new leader of the big booty crew  
And after the day, I'm sorry to say  
You come through the neighborhood, you couldn't give it away  
To a nigga, who's out to get major paid  
but you'll have him, pissin out razorblades  
But a bitch like you..ll be returnin with the H-I-V, R.I.P.

"You can't trust a big butt and a smile.."  
"I'm burning up!"  
"You can't trust a big butt and a smile.."  
"You can't trust a big butt and a smile.."  
"I'm burning up!"  
"What have I, done stuck my duck in?"  
"You can't trust a big butt and a smile.."  
"I'm burning up!"  
"You can't trust a big butt and a smile.."  
"You can't trust a big butt and a smile.."  
"I'm burning up!"  
"What have I, done stuck my duck in?"

".. done stuck my duck in?"  
"I'm burning up!"  
"It's hot.. I'm burning up!"
