

Look After Nature

Ice MC

Look after nature
Look after nature
Don't badda make it spwyle
Look after nature
Look after nature
Respect the Earth my child

Cu they no seh them a chop down tree
The tree they serve for the human to breathe
The way they treat nature is a idiocy
Dash web glass bottle when you deh a country
No badda nasty unu better clean
Look after nature and keep it green
No badda nasty unu better clean
Look after nature an no make it bleed

A weh you ago do when the air it gone
A weh you ago do a weh you ago do
A weh you ago do when the acid rain fall
A weh you ago doa weh you ago do
A weh you ago do when you step pan glass
A weh you ago do a weh you ago do
A weh you ago do when the nuclear blast
A weh you ago do a weh you ago do

Nuclear power is a stupidity
They have it over yasso an have it over sea
And when you take a stop they seh it a leak
They better watch the O.Z.O.N.E.
Uno befter start fi worry an start fi fret
Ca all dem kind of thing deh don't over yet
Seh disgrace seh shame on your face
Unu better do so'um no fi help the human race

How come they don't dash bokkle na the bin
Me no know how comes me no know how comes
How comes pollution increasin'
Me no know how comes me no know how comes
How comes they don't make electric car
Me no know how comes me no know how comes
How comes you can't drink from the river

Splish splash pitney nab hear that
If pollution continues and the sea turns black
If you catch a fish it have oil in the mouth
Tink just like doo doo an you cya wash it out
Natural there's nothin'like it
Look after it an no bother spwyle it
Natural look after fiu you country
Look after it and don't bother spwyle it

A weh you ago do when the air it gone
A weh you ago do a weh you ago do
A weh you ago do when the acid rain fall
A weh you ago doa weh you ago do
A weh you ago do when you step pan glass
A weh you ago do a weh you ago do

A weh you ago do when the nuclear blast
A weh you ago do a weh you ago do
