1-2, 1-2-1-2-3, I'm the emcee called Ice-T That's DJ Evil E, Islam creates the beats You girls look so sexy I wish you all were up here with me You drive me crazy with those big ole butts Girl, Let's Get Butt Naked And Fuck!

Tonight, I wanta make this real clear, dear I've no time to whisper in your ear
No time to remove our fears
I just wanta get near
Get butt naked and roll around
Move our bodies like up and down
Do that stuff that your mama call smut!
Girl, Let's Get Butt Naked And Fuck!

Come on, you know you wanta do it, too
It's good to me, and it's good to you
I only speak what's true
You say you don't, but I know you do
Come on up to my room
We'll undress by the light of the moon
Lay down and I'll caress that butt
Girl, Let's Get Butt Naked And Fuck!

I mean real stupid and nasty
I know what you wnat, so you don't have to ask me
Just lay back and I'll operate
Jimbraski will go to work and penetrate
And then we'll both feel great
Make your move tonight, girl, don't hesitate
We both want it, don't make it tough
Girl, Let's Get Butt Naked And Fuck!

Homeboys, you know the situation
You're trying to rap but they give you frustration
Nose in the air, turnin' you down
When you really wanta say! "Yo baby let's get down"
But you don't, you keep frontin'
Kickin' conversation, ain't talkin' 'bout nothin'
When all that's really on your mind is what?

"Yo baby L.G.B.N.A.F."

That's right if you're a man you want it

If you're a woman you tease him and flaunt it

But my crew got to have it

And after they dog it, I autograph it

The SYNDICATE don't lecture

We move in a group, seduce and capture

And if the posse has good luck

Girl, Let's Get Butt Naked And Fuck!

ISLAM takes the pictures
And girls,I'm a say EVIL E's gonna get ya
Get ya illin' in a nude mode
A double X-rated episode
Hotel rooms cold explode,when my posse unloads

Sex in effect when we're on the road Girl, Let's Get Butt Naked And Fuck!

Throw your hands up in the air

If you love sex I know you're out there

Safe sex that is,ya gotta be careful with this 88 sex biz

But that's another song

Girls,move your bodies sexy and the brothers will come along

Homeboys,move in on that butt and say!

Girl, Let's Get Butt Naked And Fuck!
