

I've got a pocket  
Full of holes  
Head in the clouds  
The king of fools  
You've got a ribbon of rainbows  
The sun in your eyes  
Burning through  
Could be I'm happy and sad  
Could be I'm losing my head  
Over you

Well, you've gotta be crazy, baby  
To want a guy like me  
Yeah, you've gotta be out of your mind  
Crazy

So if I'm dreaming  
Don't wake me tonight  
If this is all wrong  
I don't want it right  
'Cause you're the one sure thing  
When I get lost in the game  
Once again  
Hey, I'm a lucky guy  
Without a reason and I  
Don't understand

Well, you've gotta be crazy, baby  
To want a guy like me  
Yeah, you've gotta be out of your mind  
Crazy

Well, there must be some kind of mistake  
To give your heart away  
Yeah, you've gotta be out of your mind  
Crazy

I've got a pocket  
Full of holes  
Head in the clouds  
The king of fools  
You've got a ribbon of rainbows  
The sun in your eyes

Could be I'm losing my head

Well you've gotta be crazy baby
