

Over My Head

Icehouse

You say it's easy
If you really want to see
You say I always turn and walk away
You say there's no mystery
It's a simple fact of life
It's gonna slap you in the face one day

I don't want to know, hey
I don't want to know, hey

Funny, but I can't seem to understand (over my head)
When you tell me so many lies
The words go straight over my head

Rules and regulations
Going 'round and 'round the world
It doesn't mean a single thing to me

I don't want to know, hey
I don't want to know, hey

Funny, but I can't seem to understand (over my head)
I feel like a cloud in the sky
The sun streaming over my head
I can't seem to understand (over my head)
When you get that crazy look in your eyes
Bells ringing over my head

You say there's no mystery
It's a simple fact of life
Baby, we'd just slap you in the face one day

I don't want to know, hey
I don't want to know, hey

Funny, but I can't seem to understand (over my head)
I feel like a cloud in the sky
The sun streaming over my head
I can't seem to understand (over my head)
When you get that crazy look in your eyes
Bells ringing over my head
I can't seem to understand (over my head)
When you tell me so many lies
The words go straight over my head
I can't seem to understand (over my head)
I can't seem to understand
I can't...
