

Country Girl

Ida Corr

Yeesh ha

I ain't lying when I tell you
I've been riding everyday
It's the greatest sensation
It just makes me wanna play

The way I move when I'm on top
Makes me hope that it won't stop
Cause I'm a cowgirl soul and mind
I won't leave no horse behind
And baby that is why
Yeesh ha

I've been riding all night
I'm a country girl
Fits the saddle just right
Yeesh ha
There just ain't no cowboy
I'm a country girl
Who can't be my boy toy
Yeesh ha

Showgirl cowgirl
You can call me anything
I'll be your pearl every night
If you touch me I will open
And inside is pure delight

You think that I'm a no mans land
But if you do just understand
Cause I'm a cowgirl soul and mind
I won't leave no horse behind
And baby that is why
Yeesh ha

I've been riding all night
I'm a country girl
Fits the saddle just right
Yeesh ha
There just ain't no cowboy
I'm a country girl
Who can't be my boy toy
Yeesh ha

I shot the sheriff yeah I shot him down
Blew him away when I got to his town
Down shot him down
Flat on the ground
His gun was smokin' the kind a girl could choke in
But way to eager to pull his trigger

A faster shooter
Than Lucky Luke ahh
So I went out to find the kid
Cause one thing 'bout Billy, he's the shit
Go Billy it's your birthday we gon' party

Yeeh ha

I've been riding all night
I'm a country girl
Fits the saddle just right
Yeeh ha
There just ain't no cowboy
I'm a country girl
Who can't be my boy toy
Yeeh ha
