

I Like You So Much Better When You're Naked

Ida Maria

Oh the clever
things I should say to you
They got stuck somewhere
Stuck between me and you

Oh I'm nervous
I don't know what to do
Light a cigarette
I only smoke when I'm with you

What the hell do I do this for?
You're just another guy
OK, you're kind of sexy
But you're not really special

But I won't mind
If you take me home
Come on, take me home

I won't mind
if you take off all your clothes
Come on, take them off

'Cause I like you so much better when you're naked
I like me so much better when you're naked
I like you so much better when you're naked
I like me so much better when you're naked
