

# Morning Light

Ida Maria

What's easy in the night  
Is always such a bite  
In the morning light  
Ha ha ha ha haa

What's easy in the night  
Is always such a bite  
In the morning light  
Ha ha ha ha haa

And you've got a liquour stain  
On your uniform  
On your uniform  
I know where your from  
Ha ha ha ha haa

You know what I've got  
Such a heavy heart  
Such a heavy heart  
You can't carry it  
No no no no noo

What's easy in the night  
Is always such a bite  
In the morning light  
Ha ha ha ha haa

What's easy in the night  
Is always such a bite  
In the morning light  
Ha ha ha ha haa

And you know what I've got  
Such a mixed up mind  
Such a mixed up mind  
You can't sort me out  
No no no no noo

You've got a polished mask  
Yeah it looks like shit  
Yeah it looks like shit  
You can't get rid of it  
No no no no nooo

What's easy in the night  
Is always such a bite  
In the morning light  
Yeah yeah yeah yeah yeah

What's easy in the night  
Is always such a bite  
In the morning light  
Ha ha ha ha haa
