

## No More

Ideal

Yeah yeah  
This girl is callin' me again?  
I know it ain't that same one  
Yes it is  
What you gotta tell her what are you gonna do  
Her time is up she gotta go

Your time is up  
I'm sick and tired of all your games  
Tell me why do you expect for me to feel the same

I'm not gonna let you hurt me no more no more  
I'm not gonna let you hurt me no more no more  
I'm not gonna let you hurt me no more no more  
I'm not gonna let you hurt me no more, no more  
I'm not gonna let you hurt me
