When it feels like  
When it feels like  
Culture gets too much for me  
I go, I go outside  
Singing songs to alabis  
Singing songs to alabis  
Singing songs to alabis  
A song is a beautiful lie  
A song is a beautiful lie  
A song is a beautiful lie  
A song is a beautiful lie  
A song is a beautiful lie  
A song is a beautiful lie  
A song is a beautiful lie  
A song is a beautiful lie  
A song is a beautiful lie  
A song is a beautiful lie  
A song is a beautiful lie  
A song is a beautiful lie  
A song is a beautiful lie  
A song is a beautiful lie  
A song is a beautiful lie  
A song is a beautiful lie  
A song is a beautiful lie  
I know that one day when you die  
Maybe you will buy  
Maybe you will buy  
And now I sit alone and sigh  
A song is beautiful lie
