

## Stay the Same

Idlewild

It sometimes happens, it always happens to me  
But then "always" isn't a word I use, "always" isn't a word I choose  
When I know that this won't survive much longer  
Unless we alter what we have  
But then again survival is not why we should

Stay the same, if we can't be the same  
We won't stay the same  
Our similar thoughts will never let us  
Stay the same, if we can't be the same  
We won't stay the same as we intend

You know that I won't be much help to you,  
But it won't happen the way  
That you've always planned it  
Just so you could become, more interesting this time  
For a purpose, only now I know the purpose  
And I know that what is here will not be here much longer  
Unless we alter what we have, or alter what we don't have  
What we won't have, what we've never seemed to have  
What we tried to have, we've failed to have  
And all of this was just so we won't

Stay the same, if we can't be the same  
We won't stay the same  
Our similar thoughts will never let us  
Stay the same, if we can't be the same  
We won't stay the same  
Just because we think we are the same

It's just so we won't  
Stay the same, if we can't be the same  
We won't stay the same  
When we believe we are not the same
