

Stay the Same

Idlewild

It sometimes happens, it always happens to me
But then "always" isn't a word I use, "always" isn't a word I choose

When I know that this won't survive much longer
Unless we alter what we have
But then again survival is not why we should

Stay the same, if we can't be the same
We won't stay the same
Our similar thoughts will never let us
Stay the same, if we can't be the same
We won't stay the same as we intend

You know that I won't be much help to you,
But it won't happen the way
That you've always planned it
Just so you could become, more interesting this time
For a purpose, only now I know the purpose
And I know that what is here will not be here much longer
Unless we alter what we have, or alter what we don't have
What we won't have, what we've never seemed to have
What we tried to have, we've failed to have
And all of this was just so we won't

Stay the same, if we can't be the same
We won't stay the same
Our similar thoughts will never let us
Stay the same, if we can't be the same
We won't stay the same
Just because we think we are the same

It's just so we won't
Stay the same, if we can't be the same
We won't stay the same
When we believe we are not the same
