Too Long Awake

Idlewild

Everything's always changing,
and nothing stays in the same place for too long,
I've been too long awake,
and everyone seems like they're slowly changing,
no one stays in the same place for too long,
I've been too long awake,

Together we're younger than you are,
forever we're older than we are together,
if we had so much to do,

Together we're younger than you are,
forever we're older than we are together
