What Am I Going to Do?

Idlewild

I'm gonna go down, I'm gonna go down, I'm gonna go downtown to see the \sup

And when I go down, when I go downtown to see the sun

- I won't go anywhere, I won't go anywhere, anywhere without you
- somewhere isn't anywhere
- I won't go anywhere, I won't go anywhere, anywhere without you
- somewhere isn't anywhere, yeah

I'm gonna go down, I'm gonna go down, I'm gonna go downtown to see your sun

And when I go down, when I go downtown to see y our sun

- I won't go anywhere, I won't go anywhere, anywhere without you
- somewhere isn't anywhere
- I won't go anywhere, I won't go anywhere, anywhere without you
- somewhere isn't anywhere, yeah

I'm gonna go down, I'm gonna go down, I'm gonna go downtown to see your sun
