Be like banana and split it, before your melon I'll split it  
I bet you know what you see, its all my girls, you deserve a  
Beat down, stop, wait  
Think about it, think about it,  
Work, work, run up, if you want some  
Hear the drums how they beat, that's how you done  
Wait, I should think about it, never mind that's a waste  
When this bitch hit the ground  
How these Louboutins taste?

So I had to whoop that ass,  
Beat down, beat down, beat down

Its a party on your face, I'm about to dance on it  
Bout to dance on it, bout to dance on it  
Its a party on your face, I'm about to dance on it  
Bout to dance on it, bout to dance on it  
You win some, you lose some  
But her its her day  
You win some, you lose some  
But her its her day  
Beat down  
Its a party on your face, an I'm about to dance on it  
Bout to dance on it, bout to dance on it  
Its a party on your face, an I'm about to dance on it  
Bout to dance on it, bout to dance on it  
Stop, wait, think about it,  
Beat down, beat down, beat down
