Iggy Azalea

Make it bounce

I don't wanna hurt ya but I'm about to work ya  
Watch your mouth drop real low  
I'm turning you up, I'm burning the clutch  
Full speed, both feet to the floor, feet to the floor  
DJ running it back once more, time to party that's all I know  
Grab somebody tell 'em, "Baby, baby, baby let's go!"

Bounce, make it, make it bounce, make it bounce, make it bounce  
Shake it, break it, make it bounce  
Bounce, make it bounce, make it bounce, make it bounce  
Shake it, break it, make it bounce  
Oh-oh-oh-oh  
Make it bounce  
Oh-oh-oh-oh

Iggy Iggy, gettin' 'em tipsy  
Tippin' in brah, to hundreds and fifties  
Pullin' up, NASCAR, black car  
Shittin' on everyone, sippin' whatever we feelin'  
Real real good, hands to the ceiling  
Dancin' we dizzy, we spinnin' we spinnin'  
All about money, the night's never ending  
We party till morning, tomorrow we kick it

Bounce, make it, make it bounce, make it bounce, make it bounce  
Shake it, break it, make it bounce  
Bounce, make it bounce, make it bounce, make it bounce  
Shake it, break it, make it bounce  
Oh-oh-oh-oh  
Make it bounce  
Oh-oh-oh-oh

Let ya hair down and shake that shit, shake that shit, shake that shit  
Sweat it out, go nuts in this bitch  
Dip it, spin it, and watchin' my hips  
I see you watchin' my hips  
Crazy, move your body like Swayze  
Round and round, shake it, break it, make it bounce  
It's a fucking celebration, go-go-go  
Girl shake 'em down like you made it, get low-low-low  
Then show the good like you're wasted, pow-pow-pow  
And spray the crowd with amazement, fo' sho-sho-sho

Go nuts, hands up, get crazy (we go), go nuts, hands up, get crazy (we go),  
go nuts, hands up, get crazy (we go)  
Go nuts, hands up, get crazy  
Make it bounce, make it bounce, make it bounce  
Go nuts, hands up, get crazy  
Oh-oh-oh-oh  
Bounce, shake it, break it, make it bounce  
Oh-oh-oh-oh  
Bounce, shake it, break it, make it bounce
