Iggy Azalea

(Dirt in her pussy ass bitches)  
Alright, how's everybody doing? (Fuck you)  
How y'all doing? I'm Starfish, thank you  
(...music bitch! hey baby, don't listen to him hey)  
Thank you, yea, ok I got somethin'...  
I got a lil' poem to share with y'all  
It's called "Dirt in Your Pussy Ass Bitch" (uh?)  
Y'all ready? (uhh, yea)

"Hotel room in every city  
Panties fall to the floor  
Bend you over, arch your back, pull your hair  
Yeah, you like that  
Dirt in your pussy ass bitch  
This is your fifth flight in a month  
No cash, just dick in yo' palms  
Louis Fakes under you arms  
Ignored calls from your moms  
Dirt in your pussy ass bitch"
