

## Fuck Love

Iggy Azalea

Fuck love, give me diamonds  
I'm already in love with myself  
So in love with myself  
I'm already in love with myself  
Fuck love, give me diamonds

So you want a type of bitch that'll stay at home  
But I'm too busy getting mine on  
So the kinda girl you want  
Boy you need to  
I don't need your help  
I can take care of myself  
I might get into the money  
Baby, couldn't you tell?  
I'm much chillin in Euro  
Making a whole lotta euros  
Yeah my money so plural  
Honey that's what I do though

You can't break my heart  
You can't take my pride  
Oh no, that love shit, I won't do it

Y'all dudes is a hot damn mess  
I'm way too blessed to be stressed  
So I don't want no boyfriend  
Just give me them checks  
What if I'm a material girl?  
Can't blame me I live in a material world  
It's crazy, this much it should be making me hurl  
Big baby, I know you want a taste of the pearl  
It's my life, I'mma do who I want to  
Do what I want to, and I don't want you  
Alright, see my times gonna cost you  
And all my love don't cost a thing

You can't break my heart  
You can't take my pride  
Oh no, that love shit, I won't do it

Fuck love, fuck love, fuck love  
That love shit I won't do it  
Fuck love, fuck love, fuck love  
That love shit I won't do it
