

Pussy Pop

Iggy Azalea

Pussy pop, pussy pop, pussy pop
(Hey yo, Iggy)
Pussy pop, pussy pop, pussy pop
(They say you and J. White did it, man)
Pussy pop, pussy pop, pussy pop
Pussy pop, pussy pop, pussy pop (Yeah)
(Big Iggy)

Pussy pop, pussy pop, pussy pop (Uh)
Pussy pop, pussy pop, pussy pop (Yeah)
Pussy pop, pussy pop, pussy pop (Ooh)
Pussy pop, pussy pop, pussy pop

Left cheek, right cheek, boy shorts, white tee
Damn good hygiene; kill shit, crime scene
Hot like dry steam, melt your ice cream
Can't fit in my jeans, shine like high beams
Freaky, yeah, I'm freaky, rated R, not PG
Water got that Fiji, got green like Luigi
Yo man wanna eat it, gimme head just like a beanie
I ain't gon' tease him, sit it on his face just like Rashiki
Up, down like a yo-yo or a pogo stick
Pussy wet, make him row-row (Uh)
Tryna touch, tell him oh no
That's a no-go unless he give you cheese like a photo (Uh)
If he ain't got no dough, tell him hold on
Then tell him keep it pushing like promo (Uh)
Bend it over, go low-low to the flo'
Then just like a snow globe, I'm gon'
Shake it fast, shake it slow
Make it jiggle make it roll
Take the dough, take control
What the fuck you waiting for?
They don't know you making though
All these bitches taking notes
Put it on him, make him grow
But first you gotta make for sure that yo

Pussy pop, pussy pop, pussy pop
Pussy pop, pussy pop, pussy pop
Don't stop, pussy pop, pussy pop
Pussy pop, pussy pop, pussy pop

Don't stop, pussy pop, pussy pop
Don't stop, pussy pop, pussy pop
Don't stop, pussy pop, pussy pop
Don't stop, pussy pop, pussy pop
