## **China Girl**

I could escape this feeling With my china girl I feel a wreck without my Little china girl I hear her hearts beating Loud as thunder Saw their stars crashing

I'm mess without my Little china girl Make up mornings where's my Little china girl I hear her heart's beating Loud as thunder Saw their stars crashing down

I feel a-tragic like I Was Marlon Brando When I look at my china girl I could pretend that nothing Really meant too much When I look at my china girl

I stumble into town Just like a sacred cow Visions of swastikas in my head Plans for everyone It's in the white of my eyes

My little china girl You shouldn't mess with me I'll ruin everything you are I'll give you television I'll give you eyes of blue I'll give you man who want to rule the world

And when I get excited My little china girl says Oh, Jimmy, just you shut your mouth, she says: Shhhh...
