

## Dirty Sanchez

Iggy Pop

If I say it's my fault (If I say it's my fault)  
For your success by default (For your success by default)  
Can you lighten up on me? (Can you lighten up on me?)  
Can you lighten up on me? (Can you lighten up on me?)  
Don't tell me I'm the benefit (Don't tell me I'm the benefit)  
Of being a conscious idiot (Of being a conscious idiot)  
As I shoot myself in the knee (As I shoot myself in the knee)  
As I shoot myself in the knee (As I shoot myself in the knee)

'Cause if there's more slaves today ('Cause if there's more slaves today)  
Than there was yesterday (Than there was yesterday)  
Then you gotta be fuckin' kidding me (Then you gotta be fuckin' kidding me)  
Words don't mean shit to society (Words don't mean shit to society)  
I'll grab a whip, make you grab your heels (I'll grab a whip, make you grab your heels)  
So that you know just how it feels (So that you know just how it feels)  
But you probably think we're being kinky (But you probably think we're being kinky)  
But you probably think we're being kinky (But you probably think we're being kinky)

You desensitized sluts (You desensitized sluts)  
Always playing with your butts (Always playing with your butts)  
The things you do for the camera (The things you do for the camera)  
This online porn is driving me nuts (This online porn is driving me nuts)  
Trying to implicate desires (Trying to implicate desires)  
That are not my desires (That are not my desires)  
Just because I like big tits (Just because we like big tits)  
Doesn't mean I like big dicks (Doesn't mean I like big dicks)

Yelling, "Rich man, make it stop" (Yelling, "Rich man, make it stop")  
We don't all want the cock (We don't all want the cock)  
As we hand them our last dime (As we hand them our last dime)  
And blame them all the time (And blame them all the time)  
I think I am confused (I think you are confused)  
I think we are confused (I think we are confused)  
So if I say it's my fault (So if I say it's my fault)  
For your success by default (For your success by default)  
Will you lighten up on me? (Can you lighten up on me?)  
Can you lighten up on me? (Can you lighten up on me?)
