Everybody's Talkin'

Everybody's talking at me I don't hear a word they're saying Only the echoes of my mind People stopping staring I can't see their faces Only the shadows of their eyes

I'm going where the sun keeps shining Through the pouring rain Going where the weather suits my clothes Backing off of the North East winds Sailing on a summer breeze And skipping over the ocean like a stone

Oh...

I'm going where the sun keeps shining Through' the pouring rain Going where the weather suits my clothes Backing off of the North East winds Sailing on a summer breeze And skipping over the ocean like a stone

Everybody's talking at me I don't hear a word they're saying Only the echoes of my mind I won't let you leave my love behind No, I won't let you leave I won't let you leave my love behind
