

Funtime

Iggy Pop

Fun, hey, baby, we like your lips!
Fun, baby, baby, we love your pants!
All aboard for funtime!

Fun, hey, I feel lucky tonight!
Fun, I gonna get stoned and run around!
All aboard for funtime!

Fun, last night I was down in the lab!
Fun, talked to Dracula and his crew!
All aboard for funtime!

Fun, but I don't need no heavy trips!
Fun, I just do what I like to do!
All aboard for funtime!

Fun, baby, baby, we like your lips!
Fun, baby, baby, we love your pants!
All aboard for funtime!

Fun, everybody, we want in!
Fun, we want some, we want some!
All aboard for funtime!

Fun, baby, baby, we like your lips!
Fun, baby, baby, we love your pants!
All aboard for funtime!
