German Days

Speak easy Knock on the door They'll check you out Through the peep hole

There's a man Who knows what you want There's a girl Who'll capture your flag

Glittering champagne on ice Garish and overpriced

Champagne on ice Dish overpriced

Schnellimbiss And Pope Benedict Brilliant brains And the end of pain

Germany Must germinate Germinate In a German way

Garish and overpriced Glittering champagne on ice

Berlin and Christ Champagne on ice
