

Here Comes the Summer

Iggy Pop

Here comes the summer
Mighty mighty summer
Here comes the summer
We're gonna have a good time

Gonna have a good time
We're gonna have a good time
When the summer comes

Here come the woman
Mighty mighty woman
Here comes the woman
Gonna get a surprise

Gonna get a surprise
Gonna get a surprise
When the woman comes

We're gonna get a surprise
We're gonna have a good time
We're gonna get a surprise
We're gonna get a sruprise

Here comes the summer
Here comes the summer
Nothing but summer
Tell me what could be more real
Than the whisper of the wind
And the sunlight that I feel

Here comes the leader
The mighty mighty leader
He's got a penis
A mighty mighty penis
There's gonna be an attack
There's going to be an attack
When the summer come

Here come the people
The mighty mighty people
Here come the people
We wanna have a good time

They're gonna be some power
We're gonna get some power
When the people come

We're gonna have a good time
We're gonna have a good time
When the summer comes
