

# Here Comes the Summer

Iggy Pop

Here comes the summer  
Mighty mighty summer  
Here comes the summer  
We're gonna have a good time

Gonna have a good time  
We're gonna have a good time  
When the summer comes

Here come the woman  
Mighty mighty woman  
Here comes the woman  
Gonna get a surprise

Gonna get a surprise  
Gonna get a surprise  
When the woman comes

We're gonna get a surprise  
We're gonna have a good time  
We're gonna get a surprise  
We're gonna get a sruprise

Here comes the summer  
Here comes the summer  
Nothing but summer  
Tell me what could be more real  
Than the whisper of the wind  
And the sunlight that I feel

Here comes the leader  
The mighty mighty leader  
He's got a penis  
A mighty mighty penis  
There's gonna be an attack  
There's going to be an attack  
When the summer come

Here come the people  
The mighty mighty people  
Here come the people  
We wanna have a good time

They're gonna be some power  
We're gonna get some power  
When the people come

We're gonna have a good time  
We're gonna have a good time  
When the summer comes
