I work so hard, so don't trip me up Shakin' a leg like the tail o' the pup I'm payin' dues till I register heat Sure hope I don't end up on the street

Home, boy
Home, boy
Everybody needs a home
Home, boy
Home, boy
Everybody needs a home

So many people rise and fall Who's lookin' after you at all? Nobody knows anybody at all Strangers in paradise down at the mall

Home, boy
Home, boy
Everybody needs a home
Home, boy
Home, boy
Everybody needs a home

The life we live is tricky tricky I love my home, and my family Who's gonna love you when the Mountain gets steep?
We're gonna make it-in a Jeep
