## Howl

Howl Howl Fuck it I feel like howling Got nowhere to turn They'll kill you For your spirit This is what you learn The music of tomorrow is What you feel today The owners of the future Is not the one they say A mountain of faces Is rapin' my ear I'm glad that my pride is Stronger than my fear I'm howling, baby I'm howling, baby Howling, baby I knew the producer He's got lots of tricks He is the star maker The bands are little pricks The music of tomorrow is What you feel today The owners of the future Is not the one they say A mountain of faces Is rapin' my ear I'm glad that my pride is Stronger than my fear I'm howling, baby I'm howling, baby I'm howling, baby I'm howling, baby Howling, baby Howling, baby Howling, baby Howling, baby I'm howling, baby
