I Got a Right!

Iggy Pop

Anytime I want I got a right to move
No matter what they say
Anytime I want I got a right to move
No matter what they say

I got a right, I got a right to move
Anytime I want, anytime
I got a right, I got a right to move
Anytime I want

Anytime I want I got a right to sing
No matter what they say
Anytime I want I got a right to sing
No matter what they say

I got a right, I got a right to sing
Anytime I want
I got a right, I got a right to sing
Anytime I want
