

It's All Shit

Iggy Pop

If it walks like shit
Talks like shit
It must be shit

If it feels like shit
Tastes like shit
It must be shit

If it looks like shit
Sounds like shit
It must be shit

If it smells like shit
Tells like shit
It must be shit

See Times Square
A vacuum of feeling
Listen, little man
Advertise this

That it's all shit
It's all shit
Nothing but shit
Billboard shit

Love just keeps on coming
Love will clean it up
Love just keeps on coming
Love will sweep it out
Love just keeps on coming
Love just keeps on coming

If it walks like a duck
Talks like a duck
It must be a duck

If it smells like a duck
Talks like a duck
It must be a duck

If it smells like a duck
Tastes like a duck
It's a goddam duck

If it feels like a duck
Tells like a duck
It must be a duck

If it looks like a duck
Sounds like a duck
It must be a duck

Walking blinded
Eternal night
Of hype no magic
Fake no love

Child are actors
How depressing
Little adults
With fancy pants
Ohhhhhhh

Love just keeps on coming
Love just keeps on coming, baby
Love just keeps on coming
Love just keeps on coming
Love will weed 'em out
Love just keeps on coming baby
Love just keeps on coming baby
Love
Love
Your fucking cache is over, baby
Skybar shit
Nobody cares
Nobody cares
Nobody cares
Nobody cares
Nobody cares
