

# Mask

Iggy Pop

You're wearing a mask  
You're wearing a mask  
You're wearing a mask  
You look better that way

You're wearing a mask  
You're wearing a mask  
You're wearing a mask  
You look better that way

Are you my friend?  
Are you my plumber?  
Are you my God?  
What do you do?

Wearing a mask  
You're wearing a mask  
You're wearing a mask  
Which mask are you?  
Which mask are you?

Complicated, crushed up, disappointed  
Squirming, angry, thrusting, stabbing, regretting, starving  
Greedy human alien being, struggling down the street  
Up the alley, in the elevator, through the party  
To the office, in the bedroom, on your way to the morgue

Bullshitting, lying, doing a good deed or feeling loved barely possible  
Aware of insatiable demands of not a society all around you  
Chunky frat boys in their shorts, pimps with old Semite eyes  
Sex hoochies of the jungle, sensitive smart Alec college graduates

Critics fronting frantically in New York city, every body in L.A.  
Just plain licking ass or having it licked  
Irony in place of balls, balls in place of brains  
Brains in place of soul, where is the soul?  
Where is the love, where am I?

Which mask are you?  
Which mask are you?  
Which mask are you?

You're wearing a mask  
You're wearing a mask  
You're wearing a mask  
Which mask are you?
