

Nazi Girlfriend

Iggy Pop

I want to fuck her on the floor
Among my books of ancient lore
So I will make a full report
I got a Nazi Girlfriend

It's not the four-inch heels she wears
It's not her baby-fine blond hair
It's more the desert in her stare
I've got a Nazi Girlfriend

She's not the colt
That she once was
She's elegant
But youth is lost
Still she has ways to make me talk
I love you Nazi Girl

Her French is perfect
So's her butt
She wears two crosses
Tangled up
She's independent
She's not dumb
Tough little Nazi Girl

So now I've fucked her on the floor
Among my books of ancient lore
And I have made a full report
About a Nazi Girl
