Each place I go only the lonely go Some little small cafe The s ongs I know only the lonely know Each melody recalls a love that used to be $\frac{1}{2}$

The dreams I dream only the lonely dream Of lips as warm as May That hopeless scheme only the lonely scheme That soon somewher e you'll find the one that used to care

And you recall each fun time Those picnics at the beach when lo ve was new It well could be the one time A hopeless little drea m like that comes true $\$

If you find love hang on to each caress And never let love go F or when it's gone you'll know the loneliness The heartbreak only the lonely know
