Pussy Walk

Iggy Pop

The other day I was walking down 14th Street
It was a beautiful summer day
The sun was shining
And I found myself surrounded by latin american and dark women

And as I looked at their ankles,
Their knees and their thights,
And the curve of their bodies,
Their mysterious eyes
I couldn't help but thinkinng about their pussies
And I asked myself

Can your pussy talk
Can your pussy talk
Can your pussy smile
Can your pussy frown
Can your pussy prance
Can your pussy dance
Can your pussy walk
Can your pussy talk
Pussy, pussy walk

Now you know from time to time
My musical group and I have occasion to visit
The high schools, jr. high schools and
Other centers ol learning in this wonderful land of
The united States of America
And when I do, frorn time to time
I run into the young girls that attend these places
And I see them smiling at me with their young girl clothes
And while i smile back, I never say anything
But inside I'm thinkin
Can your pussy walk
Can your pussy talk
Can your pussy smile
Can your pussy frown
Can your pussy love
Can your pussy shove
Can your pussy dance
Can your pussy prance
Pussy, pussy walk

And then of course
Now all you men can relate to this
How sometimes you're suposed to go out of the house
And get something done
Like you're suposed to go to the store
And just go get a bottle of milk
Or just go to your job
And do it good and cone back home
But on the way, my God
There's a girl, and there's another girl, and there's another girl
And pretty soon you're surrounded
And your eyes are going one way
And your head is going another way
Ano your nose is going up
And your nose is going down

And you're thinking about that pussy
And it's become a real distraction
And you've gotta ask yourself
Can your pussy walk
Can your pussy talk
Can your pussy smile
Can your pussy frown
Can your pussy dance
Can your pussy prance
Can your pussy love
Can your pussy shove
All right
Pussy...Pussy walk
Now walk it now
Pussy pussy pussy pussy pussy pussy walk
Pussy pussy pussy pussy pussy pussy walk
Pussy pussy pussy pussy pussy pussy walk
