

Spanish Coast

Iggy Pop

Die, die, die on a Spanish coast
Die like a clown with no friend around
This used to be a Spanish town

Die, die, die on a Spanish coast
Die like a fly with no lover to sigh
On a high white box in a pile of rocks
You'll go crazy by the hazy sea

Die, die, die on a Spanish coast
Die like a love when you killed a dove
If you don't believe
Then your angels leave and you lose it
You can't use it, life
