

Tonight

Iggy Pop

I saw my baby
She was turning blue
Oh, I knew that soon, her
Young life was through

And so I got down on my knees
Down by her bed
And these are the words
To her I said

Everyone will be all right, Tonight
No one moves, No one talks, No one thinks, No one walks
Tonight, Tonight

I am gonna love her to the end
I will love her 'til I die
I will see her in the sky...Tonight
