

## Scarred for Life

Ignite

seems disgraceful  
how many faces i've touched  
seen so many stranger now  
that i don't remember any of their names  
i just push away

never been in love with anyone ever  
never been in love with anyone

finding out the hardest way  
increasing your numbers  
only makes your emotions fade  
really am letting it slip away  
i can't get a grip - i can't get a grip

all alone - all alone

someone out there has got to know  
how to hide your lies when your mouths all full  
because it's getting late in the day  
i'm going to die this way  
all alone
