

i found your holes today  
your spots made my way  
i know what i can't do  
so i swear today i'm gonna walk away

i'll walk away

so many times  
i have felt but it stood  
so strong to brake  
i'm through woth what i have here  
but it feels so safe

feels like  
i've broken what i have  
but i can't let it go  
i feel it slipping just let it go  
i feel it slipping i can't let go

opposites fly in my head  
i see it but i can't let it go  
and these voices are flying  
where do i let them go

feel it  
i'll squeeze this day until it bleeds  
i'll never let it go  
i'll bring us both down  
i'll bring us both down  
why can't you walk away
