

## Where They Talk

Ignite

i swear is what i think you said  
and now i know i know what you mean  
and where you talk about  
is where i want to go now

i wanna be there  
so i can know you  
so i can know you

i know when you are around  
i care only about what i know you can do  
because i know i can't  
because i know i can't

i know i can't go there  
i know what you'd think  
i know what they would think

i want to go  
down

where i hear my name  
i wanna know what they say  
what they think about me  
about me
