

## Fast as a Shark (Accept cover)

Ignitor

Fog in the streets  
A church clock beats  
Midnight - darkness all around

You better beware  
You better take care  
Be prepared for the shock

The time has come  
And hes the one  
Whos breathing down your neck

Coming from behind  
Now its your time  
A loser will die

Fast as a shark hell cut out of the dark  
Hes a killer - hell rip out your heart  
On a one way track and youre not coming back  
cause the killers on the attack

Surprise attack  
Coming from the back  
An expert of the deadly knack

Just take care  
Just beware  
Be prepared for the fight

Fast as a shark hell cut out of the dark  
Hes a killer - hell rip out your heart  
On a one way track and youre not coming back  
cause the killers on the attack

Watch out - watch out

Fast as a shark hell cut out of the dark  
Hes a killer - hell rip out your heart  
On a one way track and youre not coming back  
cause the killers on the attack

Fast as a shark hell cut out of the dark  
Hes a killer - hell rip out your heart  
On a one way track and youre not coming back  
cause the killers  
cause the killers  
cause the killers on the attack
