## Fast as a Shark (Accept cover)

Fog in the streets A church clock beats Midnight - darkness all around

You better beware You better take care Be prepared for the shock

The time has come And hes the one Whos breathing down your neck

Coming from behind Now its your time A loser will die

Fast as a shark hell cut out of the dark Hes a killer - hell rip out your heart On a one way track and youre not coming back cause the killers on the attack

Surprise attack Coming from the back An expert of the deadly knack

Just take care Just beware Be prepared for the fight

Fast as a shark hell cut out of the dark Hes a killer - hell rip out your heart On a one way track and youre not coming back cause the killers on the attack

Watch out - watch out

Fast as a shark hell cut out of the dark Hes a killer - hell rip out your heart On a one way track and youre not coming back cause the killers on the attack

Fast as a shark hell cut out of the dark Hes a killer - hell rip out your heart On a one way track and youre not coming back cause the killers cause the killers cause the killers on the attack
