The playful years of spring  
Killer's romantic dreams  
Of misanthropy

The playful years of spring  
Killer's romantic dreams  
Of misanthropy  
Of misanthropy

The playful memories  
Killer's romantic dreams  
Of the misanthrope

Yet deep down, the shame  
Knowing they were only lies  
Fabricated alibi

Though now it seems that all the shame and secrecy was all a waste,  
was all a waste  
That those (that those, that those) longings of truth were just  
a premonition  
That those lies are now the truth

Deep down, the shame  
Knowing they were only lies  
Deep down, the shame  
Knowing they were only lies

Deep down, the shame  
Knowing they were only lies  
Deep down, the shame  
Knowing they were only lies

Knowing they were only lies  
Knowing they were only lies
