My sweet lady
Woman of my life
She's a runaway girl
Come back home
She's gone with my family
She is upset with me
Girl when I see you again
We can sit and reason.

Beauty and the lion
Woman is a woman
And a man is the master in the house
Beauty and the lion
Love or money
I'm the King in the house
Beauty and the lion
Woman is a woman
And a man is the master in the house
Beauty and the lion

My sweet lady
Woman of my life
My I do beauty Queen
Come back home
She is playing love
On the Rastaman
A woman is a teaser
But their love is a treasure.

Beauty and the lion
Woman is a woman
And a man is the master in the house
Beauty and the lion
Love or money
I'm the King in the house
Beauty and the lion
Woman is a woman
And a man is the master in the house
