

As Time Goes By

Ikon

Its just slipping away
Slipping away
Faster and faster
Always faster

As time goes by
I see myself falling
Falling faster
Always faster

As time goes by
I see myself falling
Falling faster
Always faster (4)

I see myself
Loosing control
Loosing control
Loosing control

I see myself
On the edge
On the edge
Falling and falling

As time goes by
I see myself falling
Falling faster
Always faster (4)
