

## Beginning Of The End

Ikon

I give what it takes  
You get what you want  
For my mistakes I'm well aware

If I could go back  
I'd do it again  
But well before I'm drowning

I cannot reassure  
As I have lost my vision  
I've fallen to the floor  
I can't fight my decision

Now I can see  
I have my control  
From despair  
I'm back again

You tried to deceive  
I'll never forget  
For now you'll pay and suffer

I cannot reassure  
As I have lost my vision  
I've fallen to the floor  
I can't fight my decision

I know that things could never be the same  
I've gone too far and now that I have changed

Does it feel the same for you (Repeat)

I gave what you wanted  
But now it's too much  
How much longer can I stand

I've broken the chains  
That kept me restrained  
So let me go and begin again

Begin again(Repeat)
